176.110 seluruh Indonesia

Modul

The screenshot displays the PLN Icon Plus mobile application interface, which is divided into several sections for medical management. The top section shows a sidebar menu with options like 'Pendaftaran', 'Detail Pelayanan Pasien', 'Pemeriksaan Pasien', 'Pembayaran', 'Rekam Medis', 'Pendaftaran Onsite', and 'Import Data Pasien'. The main content area is divided into three panels:

- Pendaftaran (Registration):** Shows a list of patients with columns for No, Tanggal, Dokter, No. RM, Nama, No. Telp, Jenis Kelamin, Cara Daftar, Rencana Pembayaran, and Aksi. A red 'Batal' button is visible next to the first entry.
- Detail Pelayanan Pasien (Patient Service Detail):** Displays patient information (Nama Pasien, Usia, Jenis Kelamin, No. RM, Nama Dokter, No. Telp) and a list of services (Jenis Pelayanan, Jumlah, Harga, Total Harga, Status). A 'Batal' button is also present.
- Pemeriksaan Pasien (Patient Examination):** Shows a list of examinations with columns for No, Nama Tindakan, Harga, Frekuensi, Sub Total, and Aksi. A red 'Hapus' button is visible next to the first entry.

Below the main content area, there are two additional panels:

- Pembayaran (Payment):** Shows a list of payments with columns for No, Nama Tindakan, Harga, Frekuensi, Sub Total, and Aksi. A red 'Hapus' button is visible next to the first entry.
- Rekam Medis (Medical Record):** Shows a list of medical records with columns for No, Nama Tindakan, Harga, Frekuensi, Sub Total, and Aksi. A red 'Hapus' button is visible next to the first entry.

Integrasi Fitur BPJS

The screenshot displays a web application interface for BPJS integration. It includes sections for 'Pendaftaran Pasien' (Patient Registration), 'Form Rencana Pembayaran' (Payment Plan Form), 'Form Penanggung Jawab' (Responsible Person Form), and 'Rekam Medis Rawat Jalan' (Outpatient Medical History). A 'Cari Nomor BPJS' (Search BPJS Number) dialog box is open, showing fields for 'Nomor BPJS' and 'Nama'. The 'Rekam Medis' section shows patient data and a 'Rujukan' (Referral) form with fields for 'Nama Rumah Sakit' and 'No. SEP'.

Alur Aktivasi Akun

The screenshot shows the SIMKlinik Morclinic dashboard. On the left is a sidebar menu with options: Dashboard, Pengguna, Master Data, Transaksi, Informasi, Logistik, Laporan, and Pengaturan. The main content area has a top navigation bar with a 'Kembali' button and user profile icons. A red banner at the top states: 'Akun anda aktif sampai dengan 09 Agustus 2023. Selanjutnya, silahkan menghubungi Sales Marketing kami untuk memperpanjang penggunaan aplikasi. Terima kasih.' Below this, a green box contains a welcome message: 'Hai, Selamat Datang di Morclinic' and instructions to complete data for app usage. It includes two buttons: 'Generate Data Contoh (Dummy)' and 'Import Master Data'. A 'Progress' section shows three steps: 1. Pendaftaran (Belum Dicoba), 2. Pelaksanaan Tindakan (Belum Dicoba), and 3. Resep (Belum Dicoba). Below the progress bar are three summary cards: 'Rp 0 Pendapatan Bulan Ini' (with a briefcase icon), '0 Kunjungan Bulan Ini' (with a people icon), and 'Rp 0 Piutang Bulan Ini' (with a clipboard icon). At the bottom, there are sections for 'Data Pasien Hari Ini' and 'Data Pasien Booking'.
